Overall Height:

73.6250 inches

Overall Width:

24.4375 inches

Current Rating:

16.000 amperes

Wattage Rating:

2.000 kilowatts

Voltage In Volts And Current Type:

120.0 ac

Environmental Attribute Code:

Energy efficient - femp - food service equipment - hot food holding cabinets

Material:

Stainless steel

General Description:

60 hz, single phase; reach-in design; 2 compartment 60 degrees to 200 degrees temp range; designed for product holding

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23900
