Width:

17.000 inches

Usage Design:

Commercial

Depth:

38.250 inches

Surface Heating Unit Type:

Open burner

Surface Heating Unit Quantity:

2

Special Features:

Stainless steel front; floor model; includes integral base w/door; 30,000 btu per hr, each burner

Fuel Type:

Natural gas

Height:

36.000 inches

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A05000
