Major Components:

Potable water system 1, waste drain system 1, sump drain1, electrical connector, finishes, upper supports, electrical supply, structure

End Application:

C17a acrft

Usage Design:

Galley assembly, crew

Special Features:

The -509 is based on galley assemblies

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T01200
