**Major Components:**

Potable water system 1, waste drain system 1, sump drain1, electrical connector, finishes, upper supports, electrical supply, structure

**End Application:**

C17a acrft

**Usage Design:**

Galley assembly, crew

**Special Features:**

The -509 is based on galley assemblies

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T01200
