Height:

13.500 inches

Compartment Quantity:

1

Operating Control Type:

Push button

Design Type:

One-piece

Temperature Indicating Device:

Not included

Heating Method:

Electrically

Features Provided:

Breather vent

Depth:

22.750 inches

Width:

16.750 inches

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T281-e
