Overall Length:

20.125 inches

Overall Height:

8.500 inches

Overall Width:

12.188 inches

End Application:

Food warmer

Current Rating:

10.000 amperes

Wattage Rating:

1200.000 watts

Voltage In Volts And Current Type:

120.0 ac

Material:

Stainless steel

General Description:

Heavy-duty bottom mount, unisulated rectangular drop-in hot food well is designed for installation in metal countertop

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
