**Overall Length:**

33.750 inches

**Overall Height:**

62.000 inches

**Overall Width:**

53.500 inches

**Current Rating:**

16.700 amperes

**Wattage Rating:**

2.000 kilowatts

**Voltage In Volts And Current Type:**

120.0 ac/dc

**Product Name:**

Holding and transport cabinet

**Special Features:**

Capacity of 40 each sheet pans on 1 1/2 inch centers; 20 each pans on 3 centers; fully insulated, magnetic action door latch

**Material:**

Stainless steel

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A23900
