Current Type:

Ac

Usage Design:

Commercial

Exterior Material:

Steel, corrosion resisting

Product Name:

Restaurant range

Voltage In Volts:

208.0

Phase:

Three

Special Features:

Restaurant range; 24 in; electric; 4 2kw french hot plates; 9.5 in solid cast iron with infinite controls; space saver oven with 1 rack; stainless steel front and sides; single deck high shelf and 6 in legs; 13kw; 208vac/60hz/3ph

Frequency In Hertz:

60.0

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A05000
