Overall Height:

18.000 inches

Overall Width:

63.250 inches

Voltage In Volts And Current Type:

120.0 ac

Product Name:

Case protector-4

Special Features:

Top shelf protection for 4 pan hot wells; front has 1 in solid glass panel; .250 in laminated glass with seamed edges; full length angled to meet nsf standards

Material:

Glass and stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
