Overall Height:

37.250 inches

Overall Width:

28.250 inches

Wattage Rating:

1800.000 watts

Voltage In Volts And Current Type:

120.0 ac

Product Name:

Food cabinet

Special Features:

Temp from 90 degrees f to 190 degrees f; comes with nema 5-20p standard and 6 ft cord; stainless steel with aluminum alloy corners and tempered glass panels; universal rack (4 shelves), pizza rack

Material:

Aluminum alloy and glass and stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
