Mounting Type:

Leg

Overall Length:

20.625 inches

Overall Height:

12.500 inches

Overall Width:

17.125 inches

Current Type:

Ac

Switch Type:

Rotary

Err Default:

Err default

Voltage Rating:

120.0 pounds per hour wet

Unit Type:

Open

Wattage Rating:

930.0 watts

Control Switch Quantity:

2

Product Name:

Grill-max roller grill

Phase:

Single

Special Features:

Chain tension system; duratec non-stick coating; chrome rollers; internal and external seals on rollers; front and side access panels;

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A505k0
