Mounting Type:

Leg

Overall Depth:

17.125 inches

Err Default:

Err default

Overall Height:

39.500 inches

Overall Width:

37.500 inches

Usage Design:

Commercial

Loading Location:

Front

Hinge Location:

Right side

Voltage In Volts And Current Type:

115.0 ac

Phase:

Single

Special Features:

Stainless steel interior/exterior; temp indicator on door front; adjustable temp control; heavy duty hinges; removable gasket; spring loaded lift type valves; ul and nsf international certified; majestic series milk dispenser

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A516x0
