**Mounting Type:**

Leg

**Overall Depth:**

17.125 inches

**Err Default:**

Err default

**Overall Height:**

39.500 inches

**Overall Width:**

37.500 inches

**Usage Design:**

Commercial

**Loading Location:**

Front

**Hinge Location:**

Right side

**Voltage In Volts And Current Type:**

115.0 ac

**Phase:**

Single

**Special Features:**

Stainless steel interior/exterior; temp indicator on door front; adjustable temp control; heavy duty hinges; removable gasket; spring loaded lift type valves; ul and nsf international certified; majestic series milk dispenser

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A516x0
