Overall Height:

30.500 inches

Overall Width:

21.750 inches

Current Rating:

22.000 amperes

Wattage Rating:

7.500 kilowatts

Voltage In Volts And Current Type:

208.0 ac

Product Name:

Kettle, electric, table top

Special Features:

6 gal capacity; tilting kettle; counter top model; embossed gallon/liter markings; heavy bar rim; s/s splash proof; console on right w/faucet bracket; cleaning lock;

Material:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23900
