Overall Height:

63.250 inches

Overall Width:

39.666 inches

Current Rating:

33.400 amperes

Wattage Rating:

12.000 kilowatts

Voltage In Volts And Current Type:

208.0 ac

Product Name:

Tilting kettle, electric

Special Features:

Tilting kettle; 20 gallon true working capacity; manual tilt; tri-leg base

Material:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23900
