Overall Height:

18.000 inches

Overall Width:

50.000 inches

Wattage Rating:

6.000 kilowatts

Voltage In Volts And Current Type:

208.0 ac

Product Name:

Conveyor oven

Special Features:

31.375 in deep; single phase; adjustable temp from 200 degrees to 550 degf; 1 to 24 min conveyor cooking speed adjustment

Material:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
