Mounting Type:

Leg

Overall Depth:

17.125 inches

Dispenser Type And Quantity:

2 manually-operated, gravity-fed push type

Container Type And Size:

6 disposable container gallons

Height:

39.500 inches

Overall Width:

26.500 inches

Usage Design:

Commercial

Loading Location:

Front

Hinge Location:

Right side

Dispensing Capacity:

6.0 gallons

Voltage In Volts And Current Type:

115.0 ac

Product Name:

Milk dispenser

Phase:

Single

Frequency In Hertz:

60.0

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A516x0
