Overall Height:

71.00 inches

Overall Width:

27.625 inches

Current Rating:

16.7 amperes

Wattage Rating:

2000.0 watts

Voltage In Volts And Current Type:

120.0 ac

Product Name:

Heated holding and proofing cabinets

Special Features:

Depth 31.5 in. Combo module, universal wire slides, dutch solid doors

Material:

Aluminum

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
