**Overall Height:**

71.00 inches

**Overall Width:**

27.625 inches

**Current Rating:**

16.7 amperes

**Wattage Rating:**

2000.0 watts

**Voltage In Volts And Current Type:**

120.0 ac

**Product Name:**

Heated holding and proofing cabinets

**Special Features:**

Depth 31.5 in. Combo module, universal wire slides, dutch solid doors

**Material:**

Aluminum

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A23900
