Overall Length:

10.380 inches

Overall Width:

0.380 inches

End Application:

Bread slicing machine berkel

Product Name:

Knife assembly (carbon steel)

Special Features:

Blade type serrated. Made of carbon steel. Assembly must be capable of withstanding 200lb tension when used in normal slicing operation.

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
