Overall Height:

3.375 inches

Overall Diameter:

3.425 inches

Handle Quantity:

1

Load Capacity:

10.0 ounces

Plated:

Not plated

Water Rationing Graduation For Abandon-ship Equipment:

Not provided

Environmental Attribute Code:

Plastics removal in the marine environment (prime) product

Special Features:

1meets fda & nsf requirements; cocoa brown, federal standard 595, 10045 and cocoa brown, federal standard 595, 10049 and cocoa brown, federal standard 595, 10080 and cocoa brown, federal standard 595, 10219 and cocoa brown, federal standard 595, 10233 and cocoa brown, federal standard 595, 10371

Color:

Cocoa brown

Material:

Melamine formaldehyde w/fabric filler

Departure From Cited Document:

As modified by color

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T106-a
