## Overall Height:

3.375 inches

## Overall Diameter:

3.425 inches

Handle Quantity:
1
Load Capacity:
10.0 ounces

Plated:
Not plated

## Water Rationing Graduation For Abandon-ship Equipment:

Not provided

## Environmental Attribute Code:

Plastics removal in the marine environment (prime) product

## Special Features:

1 meets fda \& nsf requirements; cocoa brown, federal standard 595, 10045 and cocoa brown, federal standard 595, 10049 and cocoa brown, federal standard 595, 10080 and cocoa brown, federal standard 595, 10219 and cocoa brown, federal standard 595, 10233 and cocoa brown, federal standard 595, 10371

## Color:

Cocoa brown

## Material:

Melamine formaldehyde w/fabric filler

## Departure From Cited Document:

As modified by color

## Shelf Life:

N/a
Unit Of Measure:

## Demilitarization:

No
Fiig:
T106-a
