Cross Sectional Shape:

Round

Inside Diameter:

1.5 inches

Quick Disconnect Size:

1.5 inches all ends

End Application:

7360-01-556-0596

Connection Style:

Cam or lever (external) all ends

Connection Type:

Internal quick disconnect 1st end

Measuring Method And Length:

25.0 feet excluding end fittings

Inside Diameter Hose Accommodated:

1.5 inches all ends

Product Name:

Hose assembly potable water

Media For Which Designed:

Water, drinking single response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A542a0
