Overall Length:

17.900 inches

Overall Height:

22.000 inches

Overall Width:

16.900 inches

Wattage Rating:

850.000 watts

Voltage In Volts And Current Type:

100.0 ac

Product Name:

Xerox workcenter 4118x

Special Features:

Scan once, print up to 999 times; optical resolution of 600 x 600 dpi; interpolated resolution is 4800 x 4800 dpi; 33.6k bps modem speed; fax speed of 3seconds per page; dialing up top 200 speed/grop dial locations; paper input 650 to 1200 sheets; document handler holds 40 sheets; b&w capability; copier speed of 18 cpm

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A23900
