Overall Length:

5.000 inches

Overall Width:

0.250 inches

Overall Thickness:

0.250 inches

Base Material:

Steatite

Material Natural Hardness Designation:

Medium

Design Type:

Rectangle

Indelible Feature:

Not included

Fast Color Feature:

Not included

Water Soluble Feature:

Not provided

Special Features:

To fit trammel points 0.250 in. Square

Color:

Colorless

Specification Or Standard:

1 composition

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T314-e
