Environmental Protection:

Abrasion resistant and moisture proof and oil resistant and organic solvents and waterproof

Specific Use:

Direct image lithographic plate

Physical Form:

Paste

Tone Quality:

Full

Unpackaged Unit Weight:

8.000 ounces

Color:

Black

Reference Number Differentiating Characteristics:

As differentiated by color, unpackaged unit weight and unit package type

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A16800
