Specific Use:

Etched metal and plastic and smooth metal and glass and epoxy, fiberglass, helamine, nylon

Physical Form:

Liquid

Unit Package Fluid Capacity:

16.000 fluid ounces

Special Features:

Fast curing w/low temp

Color:

Black

Reference Number Differentiating Characteristics:

As differentiated by unit package fluid capacity and color

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A16800
