**Specific Use:**

Etched metal and plastic and smooth metal and glass and epoxy, fiberglass, helamine, nylon

**Physical Form:**

Liquid

**Unit Package Fluid Capacity:**

16.000 fluid ounces

**Special Features:**

Fast curing w/low temp

**Color:**

Black

**Reference Number Differentiating Characteristics:**

As differentiated by unit package fluid capacity and color

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A16800
