Specific Use:

General purpose

End Application:

La 120/180 printer

Core Material:

Plastic

Manufacturer Identifying Number:

120/180

Core:

Included

Machine Type:

Nonportable electric

Special Features:

4 military thk., matrix ribbon

Color:

Black

Length:

180.000 feet

Material:

Nylon

Material:

Plastic polyamide

Type/model Designation:

Digital equipment corp.

Width:

0.500 inches

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T392-h
