Physical Form:

Liquid

Unit Package Fluid Capacity:

6.000 fluid ounces

Material Transparency:

Opaque

Furnished Additive:

Drier

Surface Condition For Which Designed:

Nonporous

Color:

Black

Special Test Features:

Ink shall show outstanding adhesion to glass, metal and thermo-setting plastics with resistance to acids, alkalis, solvents, and other chemicals

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A16800
