Manufacturer Identifying Number:

6000 series

Machine Manufacturer Name For Which Designed:

Centronics data computer corp

Machine Type:

Nonportable electric

Special Features:

Plastic cassett with a 180 degreemobius loop; size 16 in.X 2-1/2 in. X 3/4 in.

Color:

Black

Length:

88.000 yards

Material:

Plastic polyethylene

Width:

0.500 inches

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T392-h
