Specific Use:

General purpose

End Application:

M-200 and sabra m-120 matrix

Manufacturer Identifying Number:

M-200

Machine Type:

Nonportable electric

Special Features:

4 military cartridge

Color:

Black

Length:

40.000 yards

Material:

Nylon

Material:

Plastic polyamide

Type/model Designation:

Data products

Width:

0.500 inches

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T392-h
