Material Transparency:

Opaque

Adhesive Type:

Pressure sensitive

Temperature Rating:

177.0 degrees celsius

Preprinted Design:

Dot

Nominal thickness:

0.0065 inches

Adhesive Location:

One side

Special Features:

Adhesive rubber/resin adhesive, good resistance to paint solvents, 4000 dot per roll 3/4 in. Discs on a paper liner

Material:

Paper glassine impregnation

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A14300
