Material Transparency:
Opaque
Adhesive Type:
Pressure sensitive
Tempurature Rating:
177.0 degrees celsius
Preprinted Design:
Dot
Nominalthickness:
0.0065 inches
Adhesive Location:
One side
Special Features:
Adhesive rubber/resin adhesive, good resistance to paint solvents, 4000 dot per roll 3/4 in. Discs on a paper liner
Material:
Paper glassine impregnation
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A14300
