Manufacturer Identifying Number:

5310

Machine Manufacturer Name For Which Designed:

Teletype

Machine Type:

Nonportable electric

Special Features:

Cartridge type, box of 6 lgth; length: circumference measures 82 inches

Color:

Black

Material:

Nylon

Material:

Plastic polyamide

Width:

0.312 inches

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T392-h
