Specification Use:

Record typing

End Application:

Intermec, imtec and markem impact printers

Machine Manufacturer Name For Which Designed:

Intermec

Machine Type:

Nonportable electric

Special Features:

Smear resistant

Color:

Black

Length:

875.000 feet

Material:

Plastic polyamide

Width:

1.750 inches

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T392-h
