Specification Use:

Optical character recognition

End Application:

Models 3000, 3100, 3300, 3400 and 3500

Special Features:

Infrared readable ribbon; 6 million char. Yield

Color:

Black

Length:

35.000 yards

Type/model Designation:

Genicom

Width:

0.375 inches

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T392-h
