**End Application:**

Eurofighter 2000

**Length:**

60.0 yards

**Min. Tensile Strength (psi):**

10 pounds per square inch

**Adhesive Location:**

One side

**Color:**

Gray background

**Material:**

Plastic polyvinyl basic

**Material Specification:**

Goeing bms5-157 type i, iii, and iv; grade a and b; form i assn standard all material responses basic

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A14300
