End Application:

E-3d, aircraft

Width:

1.000 inches

Legend Inscription:

Auxiliary return

Temperature Rating:

200.0 degrees fahrenheit

Adhesive Location:

One side

Product Name:

Tape, identification, hydraulic system

Color:

Blue, federal standard 595, 15102 background and yellow, federal standard 595, 13655 background

Material:

Plastic polyethylene terephthalate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A14300
