**Environmental Protection:**

Solvent resistant

**End Application:**

Integrated family of test equipment (ifte)

**Width:**

2.000 inches

**Length:**

36.0 yards

**Nominal thickness:**

0.009 inches

**Adhesive Location:**

One side

**Product Name:**

Tape, double-coated, paper

**Color:**

White basic

**Material:**

Rubber natural background

**Material Specification:**

3m double coated paper tape 410m and natural rubber adhesive assn standard single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A14300
