Environmental Protection:

Fungus resistant

Material Transparency:

Opaque

Length:

75.0 yards

Temperature Rating:

Between 40.0 degrees fahrenheit and 150.0 degrees fahrenheit

Nominal thickness:

13.0 mils

Adhesive Location:

Both sides

Special Features:

Cotton cloth; heavy duty; flame retardant; used for carpet installation

Color:

White

Material:

Cotton

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A14300
