End Application:

Thermal transfer printer

Special Features:

Material - polyvinyl fluoride, color - white, type - continuous, dimensions - width - 1-1/2in.(38.10mm) by length - 100ft.(30.48m), temperature - minus 40c. / plus 130c.(266f.), te connectivity, series (vf), industry standard - eu rohs/elv compliant

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A557g0
