**Overall Length:**

2.469 inches

**Overall Width:**

2.219 inches

**Cover:**

Provided

**Inscription:**

Fixed design consisting of an eagle and 3 stars within a circle and 4 digit ser no., 2 digits on ea side of circle

**Character Height:**

0.375 inches

**Mortise Quantity:**

3

**Product Name:**

Rubber stamp fixed & removable tp dod partial insp app med serv

**Exterior Container Weight:**

60.00 pounds

**Exterior Container Cubic Measure:**

3.00 cubic feet

**Exterior Container Quantity:**

144

**Intermediate Package Quantity:**

12

**Unit Of Issue Cube:**

0.0208 cubic feet

**Supplementary Features:**

Department of defense, partial inspection approval, medical service; for numerical type set order 7520-00-809-9200 (not s9m); w/metal cover; replacement rubber stamp for stamp kit 7520-00-811-1910; serilized

**Unit Of Issue Weight:**

0.4167 pounds

**Specification Or Standard:**

1 type and a class

**Departure From Cited Designator:**

Aybm and bjzn

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T314-g
