Width:

0.250 inches

Thickness:

0.003 inches

Length:

0.900 inches

Attachment Method:

Pressure sensitive adhesive

Environmental Protection:

Heat

Basic Shape Style:

Rectangular

Adhesive Location:

Back

Special Features:

10 labels across, 18 labels between folds, perforations horizontally between labels, o/a w of backing is 11 in., 6in. Between folds, pin-feed

Color:

White

Material:

Paper

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A529g0
