Specific Usage Design:

Pressure sensitive form sprocket feed ncr appleton type

Design Form:

Single sheet

Fastener Location:

Sprocket holes equally spaced right and left margins

Fastening Method:

Hole

Fold Length:

Between 10.976 inches and 11.024 inches

Marginal Perforation:

Provided

Perforated Margin Dimension And Location:

0.250 inches left side

Horizontal Distance Between Perforations:

8.875 inches

Horizontal Width:

Between 9.301 inches and 9.419 inches

Special Features:

Blue print

Color:

White

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T393-c
