Continuous Flat Fold Tabulating Machine Paper - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/7530-01-175-4429

Specific Usage Design:
Pressure sensitive form sprocket feed ncr appleton type
Design Form:
Single sheet
Fastener Location:
Sprocket holes equally spaced right and left margins
Fastening Method:
Hole
Fold Length:
Between 10.976 inches and 11.024 inches
Marginal Perforation:
Provided
Perforated Margin Dimension And Location:
0.250 inches left side
Horizontal Distance Between Perforations:
8.875 inches
Horizontal Width:
Between 9.301 inches and 9.419 inches
Special Features:
Blue print
Color:
White
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
Т393-с
