Width:

0.380 inches

Thickness:

0.010 inches

Length:

0.500 inches

Attachment Method:

Pressure sensitive adhesive

Basic Shape Style:

Rectangular

Adhesive Location:

Back

Color:

White

Material:

Plastic

Material Specification:

L-s-300 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A529g0
