**Width:**

1.600 inches

**Thickness:**

0.0024 inches

**Length:**

0.600 inches

**Attachment Method:**

Pressure sensitive adhesive

**End Application:**

C-12512/usg-2 control processor, input/output radio frequency

**Basic Shape Style:**

Square

**Adhesive Location:**

Back

**Product Name:**

Label identification - high temperature, pressure sensitive adhesive backed

**Color:**

Clear

**Material:**

Plastic polyvinyl fluoride

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A529g0
