Publication Media Type:

Paper support

Document Title:

Protein staining and identification techniques: biotechniques molecular lab methods series 3

Subject Matter:

Protein staining procedures; gel separation techniques; fluorescence and immunostaining

Author:

R c allen, bruce budowle

Publication Date:

2002

Publisher:

Eaton pub co

National Language:

English

Binding Feature:

Hard cover

Special Features:

139 pages

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T110-b
