Publication Media Type:

Paper support

Document Title:

Molecular modeling of phase behavior and microstructure of associating fluids, oil reservoir fluids and chemical warfare agents

Subject Matter:

Dissertation

Author:

Kamath, ganesh, phd

National Language:

English

Special Features:

Wayne state university, 2006, 215pages, advisor, potoff, jeffery j.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T110-b
